

# Zenon D. Drobocky

## Data Analyst | Business Analyst

Nashville, TN | (270) 535-3481 | [zdrobocky@gmail.com](mailto:zdrobocky@gmail.com) | [github.com/Z-Dot13](https://github.com/Z-Dot13) | [linkedin.com/in/z-drobocky](https://linkedin.com/in/z-drobocky)

Uncomfortable. This describes what I have experienced throughout my career. I am passionate about problem solving and process improvement, which has made me 'uncomfortable' and has led me to data analytics. In my past roles, I was aware of opportunities and noticed I was drawn to leveraging data in order to solve business problems. With the reiteration of my technical aptitude, I hope to find a position as a Data or Business Analyst.

### PROFESSIONAL EXPERIENCE

#### Nashville Software School | Nashville, TN

##### Data Analytics Apprentice

August 2021 - Present

*Intensive hands-on training utilizing real world data with the most widely applicable data analytics software.*

*Implemented analytical skill set for a wide range of datasets including demographics, sports, customer reviews, and employment statistics.*

##### Projects

- Nashville City Cemetery (Excel): first solo assignment using excel to analyze the data provided to find and present information on the cemetery using pivot tables and charts. ([GitHub Repository](#))
