

**PRESTON F. BABB**  
**DATA ANALYST • SALES ANALYST**

Nashville, TN • 979-739-4928 • pfbabb@gmail.com • [www.linkedin.com/in/preston-babb](http://www.linkedin.com/in/preston-babb)

My experience in sales protecting data for customers exposed me to all sorts of business data and analytics. Building relationships and telling stories has been a large part of my success, which moved me to expanding my skills in data analytics to help write and tell data stories and to solve complex problems leveraging the following: Tableau, PowerBI, SQL (PostgreSQL, JOINS), Excel (Pivot Tables, VLOOKUP, PowerPivot), Python (pandas).

**EXPERIENCE**

Nashville Software School • Data Analytics Apprentice May 2021 – Present  
Hands-on training in widely used tools including spreadsheets, SQL, PowerBI, Tableau, and Python.  
NSS utilizes Github and Agile methodology for group projects and presentations.
